

How to get to IDTV

Kraanspoor 50 (previously Ms. Oslofjordweg)
1033 SE Amsterdam
The Netherlands

By car

From Utrecht/Amersfoort/ring road A10

On the ring road east/A10, take exit S118 (Tuindorp/Oostzaan). At the traffic lights at the end of the exit road, turn left. At the second traffic lights, turn right (direction Tuindorp/Oostzaan). Follow this road until you come to a roundabout. Take the second turning. At the next roundabout, take the first turning and at the T-junction, turn left. After a few hundred meters, turn right. You can already see the IDTV premises. Follow the sign Kraanspoor/Parkeren.

From Rotterdam/Den Haag/via ring road A10 - Coentunnel

On the ring road west/ A10, take exit S118 (Tuindorp/Oostzaan). At the traffic lights at the end of the exit road, turn right. Then, at the first traffic lights, turn right (direction Tuindorp/Oostzaan). Follow this road until you come to a roundabout. Take the second turning. At the next roundabout, take the first turning and at the T-junction, turn left. After a few hundred meters, turn right. You can already see the IDTV premises. Follow the sign Kraanspoor/Parkeren.

Parking

After reporting yourself as a visitor at the car park entry, you can park your car at a visitor parking space. When standing in front of the IDTV building, you can see four lift shafts (elevator shafts). The lift shaft that is completely to your left is the entrance to the IDTV office area (the glass upper structure).

Please make sure to get an exit ticket at the IDTV reception. You can't leave the car park without this exit ticket. In case you can't access our car park, you can park your car (free of charge) at the public road near Kraanspoor.

Satellite Navigation system

Some satellite navigation systems do not yet recognise Kraanspoor. You can then enter Ms. Oslofjordweg.

Public Transport

Ferry:

From behind the Central Station, a ferry leaves every half hour (peak hours every 15 minutes) for the Riemsdijkweg in the northern district (NDSM ferry). From that point, it is a five- to ten-minute walk to Kraanspoor. The ferry – which is only accessible to foot passengers, cyclists and moped riders – is free of charge.

From the ferry, you can walk to IDTV.

From the ferry, turn left, pass restaurant IJkantine and cross the pedestrian bridge. Straight on, on your right hand side you'll see HEMA and VNU headquarters. In front of you is the IDTV building (see the illustration). When standing in front of the IDTV building, you can see four lift shafts (elevator shafts). The lift shaft that is completely to your left is the entrance to the IDTV office area (the glass upper structure).

Bus:

- Number 35 (GVB) from Central Station, leave the bus at Atatürk
- Numbers 91 and 94 (Connexxion) from Central Station, leave the bus at Stenendokweg.
- Number 38 (GVB) from the ferry (north side), leave the bus at Klaprozenweg

On foot from the bus stop

Bus stop: Atatürk

At the bus stop, turn right into the Klaprozenweg. Cross the road at the traffic lights, then turn right and immediately left. Continue along this road and then, at Ms. Oslofjordweg, turn right. You then walk on until you can go no further. There you turn to the left. This will take you to the IDTV building (see the illustration). When standing in front of the IDTV building, you can see four lift shafts (elevator shafts). The lift shaft that is completely to your left is the entrance to the IDTV office area (the glass upper structure).

Bus stop: Klaprozenweg.

At the Klaprozenweg bus stop, cross the road at the traffic lights. Then turn right and immediately left. Continue along this road and then, at Ms Oslofjordweg, turn right. You then walk on until you can go no further. There you turn to the left. This will take you to the IDTV premises (see illustration). When standing in front of the IDTV building, you can see four lift shafts (elevator shafts). The lift shaft that is completely to your left is the entrance to the IDTV office area (the glass upper structure).

Bus stop: Stenendokweg.

At the bus stop, cross the road. Then walk straight ahead (Klaprozenweg). Turn right at the tt Vasumweg and turn left after approximately 200 metres (MS. Oslofjordweg). You'll see the IDTV premises at your right hand side. When standing in front of the IDTV building, you can see four lift shafts (elevator shafts). The right shaft that is completely to your left is the entrance to the IDTV office area (the glass upper structure).
